Dewey reported that Rick and Lavone Lindblad have volunteered to help with the All School Reunion. Secretary was instructed to add their email address to the list of All School Reunion Committee members.

Eckerman reported that an ad will be included in the Summer Scene advertising the Reunion. She also reported that Susan Rice (Alert employee) will be constructing a website which will be accessible very soon. The ad and website is all generously being donated by the Alert, free of charge to CASF. The website will include the day's agenda, a downloadable registration form, pictures of the school, and an ongoing list of attendees.

Bannisters volunteered to compose and send a letter to one person from each class with information about the Reunion and a request to spread the word to classmates.

It was suggested that fliers be created and posted around town. Dewey suggested that All School Reunion information be included in the final report cards sent home in June to Chetek students.

Huset predicted that the Social Tent would be located on the grounds in front of Knapp Haven. She will contact Diggers Hotline three days prior to Sept 16.

The Entertainment Committee of Huset, Olson and Dewey will meet at May 11, 4:00 pm at Dewey's home.

The selection committee of Waterhouse, Huset and F. Bannister recommended the awarding of 10 university scholarships of \$3000 each and three tech school scholarships of \$500 each for a total award of \$31,500.00. They will be dispersed as follows: university scholarships will be distributed as \$500 after the 1<sup>st</sup> semester (or Jan '07); \$1,000 after the 3<sup>rd</sup> semester (or Jan '08); and \$1,500 after the 5<sup>th</sup> semester (or Jan '09).
