Meeting was called to order by President G. Waterhouse.

Motion by Flor and seconded by A. Bannister to accept minutes of the last meeting.
Motion carried.

Motion by Flor and seconded by Huset to approve the treasurer's report which included a current balance of \$186,365.92. Motion carried.

F. Bannister reminded and encouraged board members to please alert Alyce or him whenever we become aware of upcoming class reunions so that they may contact the reunion chairpersons and update our alumni addresses. He also again explained that every alumnus may have access to our address list in a very safe way. It works as follows: The requester of an address will e-mail the Foundation for the information. The Foundation will see if the address is available and if it is, it will send an inquiry to the person whose address is requested and ask his permission first. This is the same method used by the military. The requester will be informed as quickly as possible the results of the address search.

Waterhouse appointed Bannister to update scholarship plaques on CASF scholarship wall in CHS commons.

Discussion ensued concerning the CASF sponsoring an All School Reunion during CHS Homecoming 2006. Fall 2006 will mark the 50th anniversary of the building of our current high school building. A meeting date for all interested community members was set for Monday, November 7, 7:00 pm, at the Chetek High School IMC. Olson will check with the school to set this up and will submit an article to the Chetek Alert announcing the meeting. Waterhouse will contact Al Brown and Eunice Dewey.

F. Bannister will submit information about the CASF website to the Alert to be included in the annual solicitation mailing. Bannister will again request on behalf of the foundation that the Chetek Alert prepare a letter for the mailing.

The next meeting was set as a working meeting for Monday, November 28, 2005, 5:00 pm, at the Chetek High School, in the conference room.

Meeting adjourned.
